## CONDITIONS OF SALE

The sale is held according to the laws of the City of New York by a licensed and bonded auctioneer. The terms of sale are strictly cash; title does not pass on any lot until payment has been made in full. The highest bidder shall be the buyer; the decision of the auctioneer will be final in all instances.

Persons unknown to the auctioneer are requested to make themselves known before the sale or to remit a 25% deposit on the amount of bids submitted. Deposits not used will be refunded immediately.

No unlimited bids will be accepted, but lots will be purchased for customers unable to attend the sale and for mail bidders at the lowest possible price without charge or commission. The floor bidding will start at about 5% above the second highest mail bid and will proceed at reasonable advances above the previous bid until the lot is sold. The packing and shipping charges for all lots are the responsibility of the purchaser. All lots are shipped at the buyer's risk. Lots delivered in New York State are subject to the appropriate sales tax. Mail bids must be in the hands of the auctioneer three days before the first day of sale.

The authenticity of every item is unconditionally guaranteed. An auction sale is not an approval sale; no lots may be returned without the written permission of the auctioneer. No lots may be returned by floor bidders. Bids in writing or bids made at the sale are taken to imply acceptance of the above conditions of sale. The auctioneer cannot be responsible for bidders' errors. Please check your bid sheets carefully.

## CONDITIONS DE VENTE

La vente est conduite par un commissaire-priseur licencié conforme aux lois de la Ville de New York. La vente aura lieu au comptant. L'enchère la plus élevée acquiert la pièce. La décision du commissaire-priseur sera définitive en tout cas.

Les personnes inconnues à la direction doivent fournir des références de crédit satisfaisantes avant de faire des enchères. Chaque enchérisseur est personnellement responsable de ses achats. On n'acceptera pas d'enchères illimitées. On effectuera gratis les commandes des personnes qui se trouvent empêchées d'assister à la vente. Les frais de l'emballage et de l'expédition sont la responsabilité de l'acquéreur. Tous les lots sont envoyés au risque de l'acquéreur. Il faut que la direction reçoive les enchères mises à la poste trois jours avant la vente.

L'authenticité de chaque article est garantie. Il ne faut pas renvoyer des lots sans la permission de la direction. Prière de vérifier soigneusement la liste des enchères.

Les acquéreurs résidant à l'étranger sont priés de payer leurs achats en argent des Etats-Unis par une banque de New York. Si l'on ne peut pas faire cela, prière d'ajouter les frais de la banque.
